Price List - Effective October 15, 2008

Quantity Discounts - We offer discounts of 5% to 30% on most of our products when the quantity criteria for that product has been met. For instance, when EDSS treatment components are ordered in quantities of three (3) or more for any one group, then a discount price applies for that group (i.e. EDSS Shoes - any size).

For most of our performance related products, the quantities needed for the discount vary depending on the individual item.

Ordering - You can mail or fax your order using the EDSS order form. You can call in your order to: (719) 372-7463 or order from our website: www.hopeforsoundness.com
